# Development and implementation of **joint network activities** within **EUnetCCC**

Network Activities Information & Engagement Session

 **Thursday, 29 October 2026**

 **14:00–16:00 CET**

 **Online · Microsoft Teams**

**Dear colleagues of EUnetCCC,**

We are pleased to invite you to an open information session on the EUnetCCC Network Activities, so that all current, new and potential partners are familiar with our objectives, ambitions and ongoing work.

The webinar is open to all, so please invite colleagues who may be interested. It will be recorded, and the recording and slides will be shared afterwards.

## **What the session covers**

- 1 Introduction** to the Network Activities, including future perspectives and strategic joint activities
- 2 Presentations from each Network Activity** on ongoing and upcoming work, each followed by a short Q&A
- 3 Opportunities** for existing and new partners to engage in the coming months

 **Join the webinar**

Full programme on the next page. Have a topic you would like us to address? Feel free to send it in advance.
