

EUnetCCC Capacity Building: Teaming & Pairing protocols

Role of CCC Coordinators in Candidate support

Introduction – Purpose of today's session

Present Teaming and Pairing activities

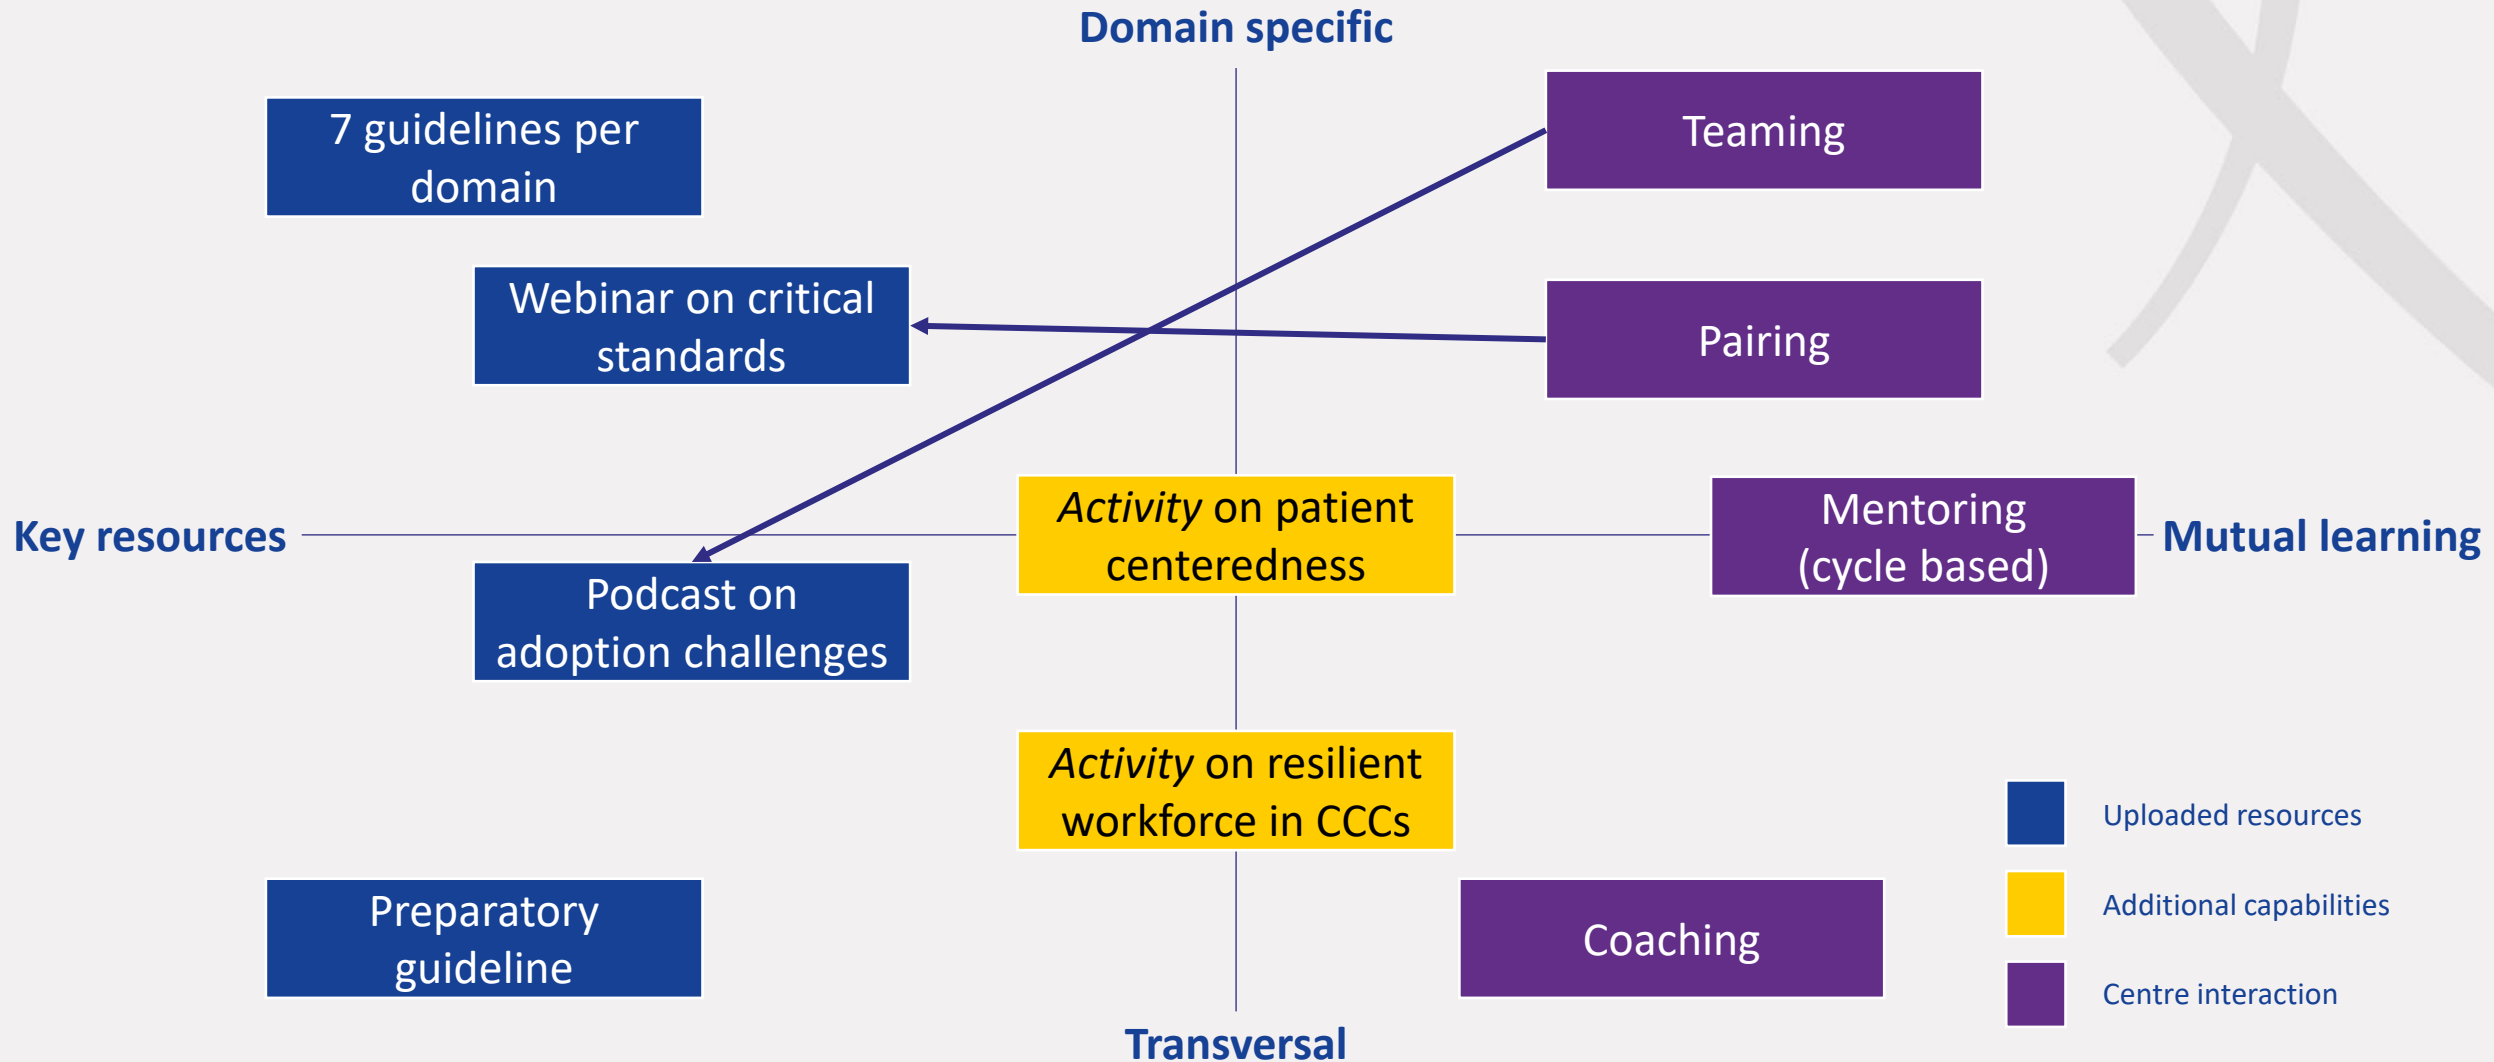

Clarify expectations, responsibilities and efforts

Refine the protocols together with CCC Coordinators

The Big picture: Capacity Building Framework

Participants

Candidate CCC:
Pursuing EUCCC certification

CCC Coordinator:
Leading CB activities and
mentoring candidate CCCs

Capacity Building Group:
Coordinating and brokering
CB activities

Determinants for candidate selection

Readiness

Based on the readiness
checklist (RACCC-30)

Country context

Presence or absence of
certified CCC/CC in the
country

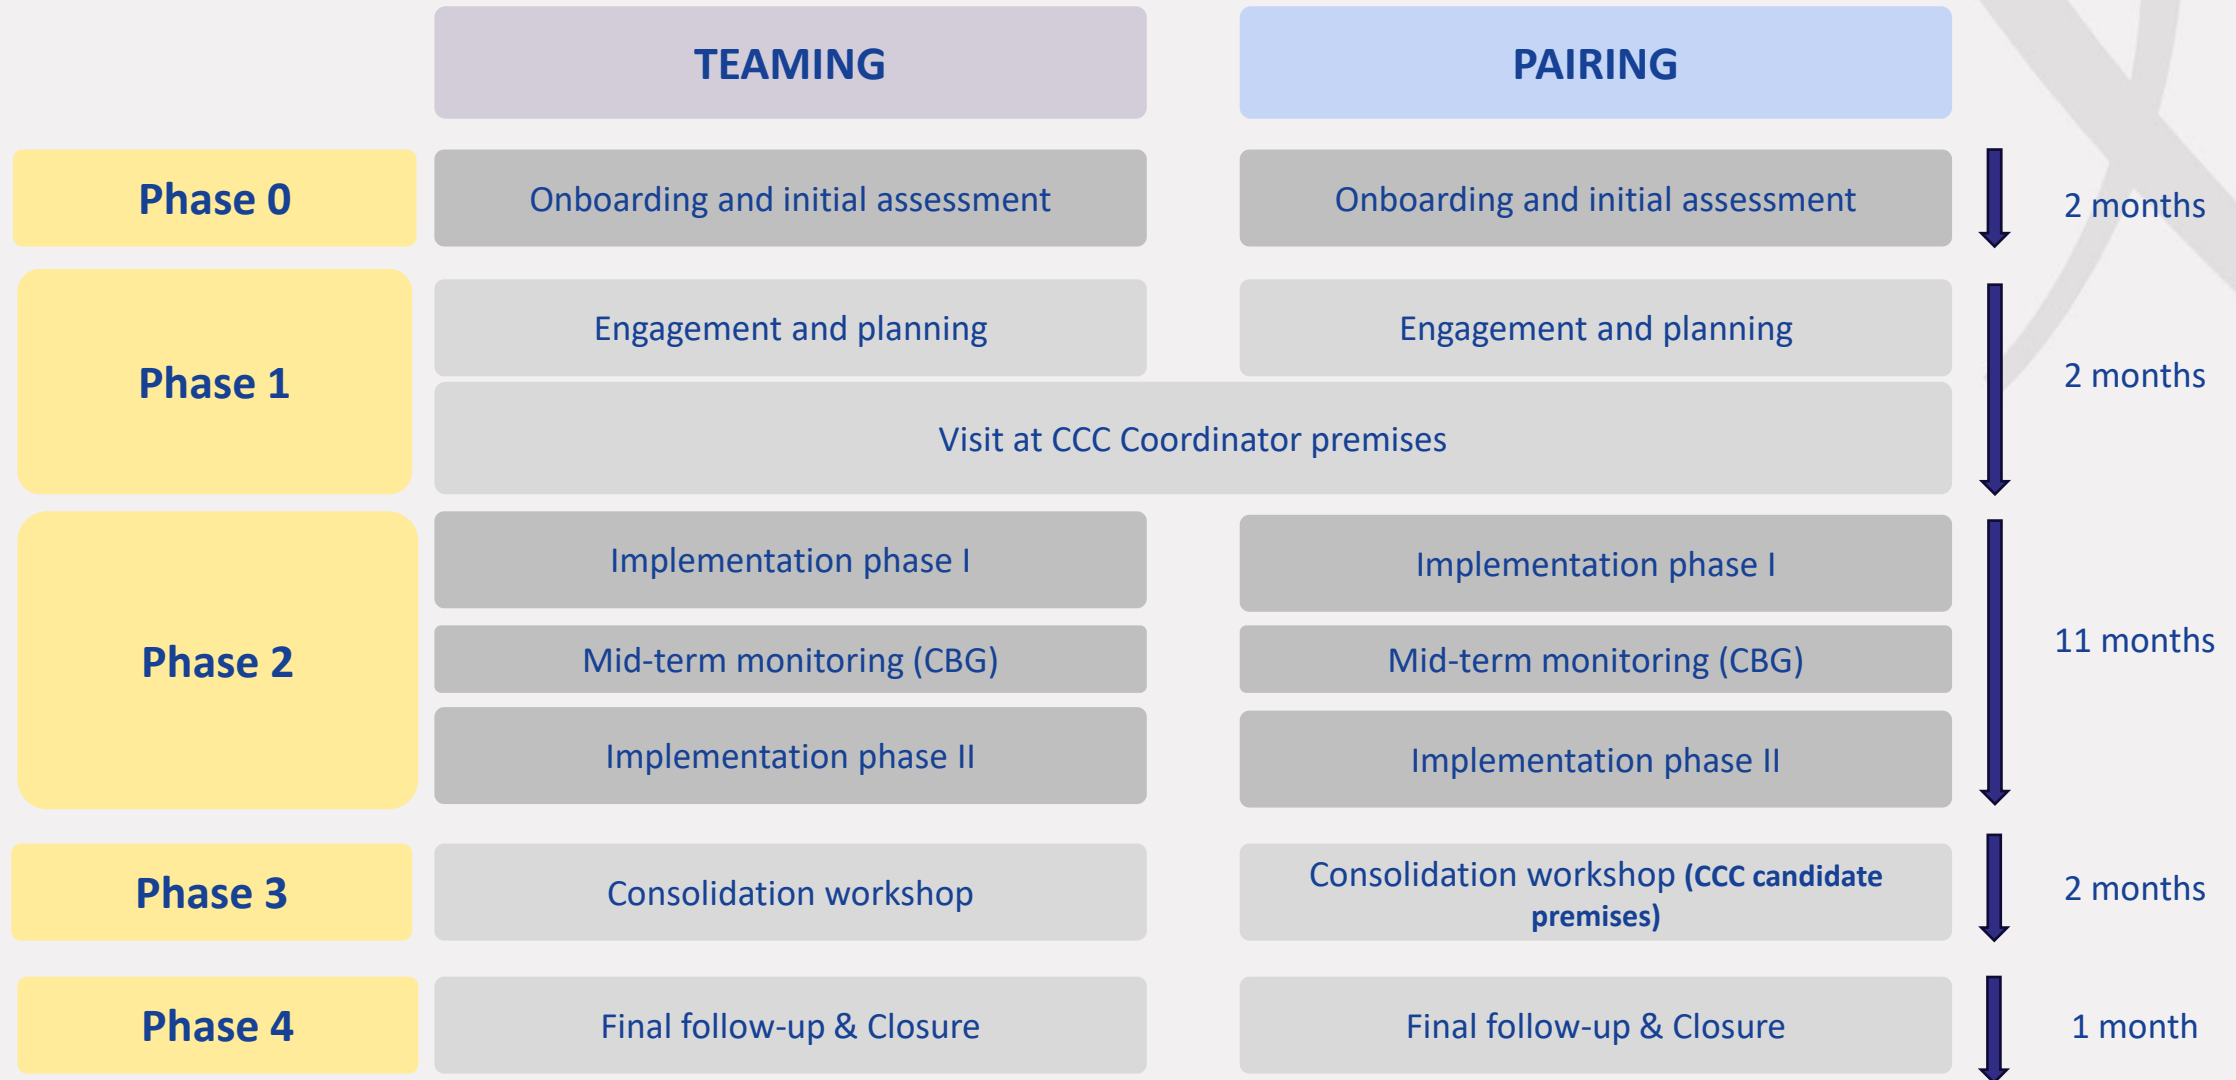

Maturity level

Per domain based on the
maturity model

Purpose of each protocol

	TEAMING	PAIRING
Focus	Support one domain and its adoption challenges	Support one domain and its integration from a cross-domain perspective
Matching	4 candidates per CCC Coordinator	1 candidate per CCC Coordinator
Selection criteria	Mid-range maturity	Candidates with no national CCs or CCCs

Structure and phases

Agenda/Activities

TEAMING

PAIRING

Onboarding and
initial assessment

- **CCC candidate starting conditions** assessed through the RACCC-30 and MM.
- **CBG** organises the matching process of candidates to appropriate CCC Coordinator considering CCC configuration, geographic or institutional similarities and priority domains.
- **CCC Coordinators** review the proposed matches.

Engagement and
planning

- **4 assigned CCC candidates** present their institutional context using the diagnostic tools and focus on **domain specific results**.
- **CCC Coordinators** provides feedback, identifies shared challenges and provides possible learning synergies.
- The session concludes with a preliminary discussion of expected outcomes for the on-site visit

- **CCC candidate** presents their institutional context using the diagnostic tools and main challenges.
- **CCC Coordinators** provides feedback and possible learning synergies.
- The session concludes with a preliminary discussion of expected outcomes for the on-site visit

Agenda/Activities

Visit at CCC
Coordinator
premises

Day 1
(afternoon)

Day 2
(full-day)

Day 3
(morning)

TEAMING

- Institutional presentation and context setting by the **Teaming candidates**
- Domain insights and priority setting
